RARE WINE COLLECTION

Oceania Cruises' new selection of rare wines includes labels that were carefully curated by our Sommeliers. These wines are considered to be among the best and are from the most well-known wine regions of the world. While wine is a matter of personal taste, certain bottles simply command respect. Every bottle is a reflection of the culture that produced it and the people who devoted hours and days, months and years to the art of winemaking. One of the contributing factors to the scarcity of these wines is their very small production. We invite you to enjoy this exclusive selection on board accompanying The Finest Cuisine at Sea®.

CHARDONNAY | FULL BODIED

Chardonnay's origin is a matter of opinion, but it grows at its very best in the Burgundy region of France. It has been found to grow well in other like regions around the world, developing its best flavors in cool coastal and valley areas. Flavors and aromas of pear, apple, tropical fruit and citrus are common in Chardonnay, which pairs well with a wide variety of foods from creamy pasta to seafood, pork, veal and chicken dishes.

SAUVIGNON BLANC | LIGHT TO MEDIUM BODIED

Sauvignon Blanc wines have a crisp acidity with flavors of melon, herb, citrus and fig. Fumé Blanc describes an oaky style of Sauvignon Blanc. Fumé means “smoked” in French and refers to the oaky character imparted when this wine is fermented and/or aged in a barrel.
